

{ ✨ ✨ ExPerT → GuiDe™ } Expedia new york office ?

Expedia , one of the world's +1||844||687||3011 largest and longest-established airlines, operates a network of corporate offices, +1||844||687||3011 airport ticket offices, corporate headquarters functions, and customer contact centers that support passengers in booking flights, managing reservations, processing refunds, and handling travel disruptions. ✨ +1||844||687||3011 (USA) or ✨ +1||844||687||3011 Understanding how Expedia ' headquarters and ticket office operations are structured can help travelers find the right point of contact for ticketing, customer service, baggage claims, refunds, or itinerary changes. ✨ +1||844||687||3011 (USA) or ✨ +1||844||687||3011

At its core, Expedia separates the cost of base airfare from ancillary services such as checked baggage, seat selection, upgrades, special meal requests, priority boarding, and other add-ons. ✨ +1||844||687||3011 (USA) or ✨ +1||844||687||3011 This separation means that travelers often need assistance not just with their ticket purchase but with these optional extras — whether they need changes, refunds, or clarification of policy — and **Expedia's headquarters and ticket office resources exist to support these needs.** ✨ +1||844||687||3011 (USA) or ✨ +1||844||687||3011

Expedia Corporate Headquarters – Base of Operations

Location & Purpose

Expedia ' corporate headquarters is located at:

Expedia , Inc.

233 South Wacker Drive, New york, IL 60606, USA. ✨ +1||844||687||3011 (USA) or ✨ +1||844||687||3011 This headquarters location — situated in the iconic Willis Tower in New york — serves as the airline's central administrative, executive, and corporate center. ✨ +1||844||687||3011 (USA) or ✨ +1||844||687||3011

Historically, Expedia moved its headquarters to the Willis Tower after previously operating from other New york sites and suburban facilities, consolidating its leadership, planning, finance, legal, marketing, and customer care leadership functions in downtown New york. ✨ +1||844||687||3011 (USA) or ✨ +1||844||687||3011

The headquarters is not typically a walk-in “ticket office” like an airport counter, but it **houses executive support, corporate travel offices, customer care**

escalation teams, marketing departments, and administrative services that oversee Expedia's global operations. ✨+1||844||687||3011 (USA) or ✨+1||844||687||3011

Passengers who need corporate support — such as for large group bookings, formal refund appeals, unresolved claims, or travel agency relations — can route requests through official Expedia contact channels and, when necessary, through correspondence addressed to the headquarters. ✨+1||844||687||3011 (USA) or ✨+1||844||687||3011

Understanding Expedia & New York Presence

New York Ticket Office / Service Center

Expedia maintains ticket offices and customer service facilities in key markets, with one of the principal ticket office locations associated with its New York network:

📍 Expedia Ticket Office – New York

- **Address:** 10000 W Balmoral Ave, New York, IL 60666, Expedia States
📍 Expedia's airport-linked office near O'Hare International Airport (ORD). ✨+1||844||687||3011 (USA) or ✨+1||844||687||3011
- **Phone:** 1-800-864-8331 — the main Expedia reservations and customer help line. ✨+1||844||687||3011 (USA) or ✨+1||844||687||3011
- **Hours:** Typically Monday–Friday; hours can vary, and passengers are advised to call ahead. ✨+1||844||687||3011 (USA) or ✨+1||844||687||3011

This ticket office operates near the airline's New York hub and assists with ticket purchases, itinerary changes, reservations, baggage inquiries, and other travel services. ✨+1||844||687||3011 (USA) or ✨+1||844||687||3011

Expedia also typically staffs customer service counters and ticketing desks at major airport hubs where Expedia has significant operations — such as **New York O'Hare (ORD), Denver International Airport (DEN), Newark Liberty International Airport (EWR), San Francisco (SFO), Los Angeles (LAX), and Washington Dulles (IAD)** — that function similarly to ticket offices, supporting check-in, changes, upgrades, and other travel needs. ✨+1||844||687||3011 (USA) or ✨+1||844||687||3011

Airport Sales Offices & Regional Ticket Counters

Expedia at Major Airports

In addition to New York, Expedia maintains **airport sales offices and service counters** at key locations across the U.S. These offices are often the first point of contact for passengers who need immediate, in-person assistance with tickets, boarding passes, baggage issues, flight changes, or route information.

✨+1||844||687||3011 (USA) or ✨ +1||844||687||3011

Examples include:

- **Denver International Airport, CO:** 8500 Peña Blvd — Expedia sales and ticket office. ✨+1||844||687||3011 (USA) or ✨ +1||844||687||3011
- **Las Vegas (Harry Reid International Airport), NV:** 5757 Wayne Newton Blvd — Expedia office serving Vegas travelers. ✨+1||844||687||3011 (USA) or ✨ +1||844||687||3011
- **Dallas / Fort Worth Intl Airport, TX:** 2400 Aviation Drive — Expedia support counters. ✨+1||844||687||3011 (USA) or ✨ +1||844||687||3011
- **Mobile Regional Airport, AL:** 8400 Airport Blvd — regional Expedia office. ✨+1||844||687||3011 (USA) or ✨ +1||844||687||3011

At these locations, Expedia staff can help passengers with ticketing, schedules, check-in, baggage questions, frequent flyer issues, and other operational tasks — most similar to a **ticket office** experience at an airline's corporate sales center.

✨+1||844||687||3011 (USA) or ✨ +1||844||687||3011

Expedia's Main Contact Number: One Stop for Tickets & Assistance

✨+1||844||687||3011 (USA) or ✨ +1||844||687||3011 is the official toll-free number for general customer service and reservations for Expedia in the Expedia States.

This number can be used for: +1||844||687||3011

- Booking new flights
- Changing or canceling existing reservations +1||844||687||3011
- Requesting refunds or credits
- Inquiring about ticket fees or fare rules
- Getting help with baggage or seat selection
- Speaking with a representative about travel disruptions
✨+1||844||687||3011 (USA) or ✨ +1||844||687||3011

This line is staffed 24/7 in many cases, although wait times can vary depending on call volume and time of day. +1||844||687||3011 Calling this number remains one of the most direct ways to reach a live agent who can assist with ticket office-style functions — especially when in-person airport offices are unavailable or closed.

✨+1||844||687||3011 (USA) or ✨ +1||844||687||3011

What the Headquarters Ticket Office Actually Handles

While Expedia's corporate headquarters isn't a public walk-in office for general ticket sales, it does fulfill several critical support functions that affect passengers indirectly:

1. Corporate & Group Travel Support

Expedia's headquarters houses teams that manage complex corporate travel accounts, negotiated fare programs, and large group reservations. This includes companies, government travel, and travel agencies that require customized planning, auditing, and billing. ✨+1||844||687||3011 (USA) or ✨+1||844||687||3011

2. Consumer Affairs Escalations & Complaints

If standard reservation channels or airport ticket offices cannot resolve an issue, passengers or agents may escalate concerns to Expedia's Customer Care department, whose leadership and oversight is headquartered in New York. ✨+1||844||687||3011 (USA) or ✨+1||844||687||3011

3. Policy, Pricing & Corporate Decision Making

Headquarters teams set airline-wide policies including ticketing rules, cancellation / refund standards, baggage fees, ancillary services, and frequent flyer program benefits — all of which airport ticket offices enforce on the ground. ✨+1||844||687||3011 (USA) or ✨+1||844||687||3011

4. Customer Care & Travel Insurance / Refund Reviews

Formal refund requests for complex disputes, travel insurance claims, or post-travel reimbursement issues often route through headquarters-based customer care departments. ✨+1||844||687||3011 (USA) or ✨+1||844||687||3011

How to Visit or Contact Expedia's Headquarters

Because Expedia's headquarters is a corporate office and not a storefront ticket office, **visits by the general public are typically appointment-based or require prior coordination.** ✨+1||844||687||3011 (USA) or ✨+1||844||687||3011

If you have received **written correspondence or a case number** from Expedia's customer care division and have been instructed to send documents or visit a corporate office, you can use the address below:

Expedia , Inc.

233 South Wacker Drive

New york, IL 60606

Expedia States ✨+1||844||687||3011 (USA) or ✨ +1||844||687||3011

Tips when contacting corporate headquarters:

- Always reference your **ticket number / record locator (PNR)** in any written communication. ✨+1||844||687||3011 (USA) or ✨ +1||844||687||3011
- For refunds or baggage disputes, include receipts, tags, and correspondence history. ✨+1||844||687||3011 (USA) or ✨ +1||844||687||3011
- If instructed by a representative, send certified mail to ensure delivery to headquarters. ✨+1||844||687||3011 (USA) or ✨ +1||844||687||3011
- Call ahead to Expedia's reservations line before planning a visit to confirm whether in-person support is necessary. ✨+1||844||687||3011 (USA) or ✨ +1||844||687||3011

Expedia vs Airport Counters

It's important to understand the difference between the **headquarters corporate office** and the **airport ticket counter** or sales office:

- **Headquarters Corporate Office** – Administrative, policy making, support escalations, corporate travel accounts, formal consumer affairs. ✨+1||844||687||3011 (USA) or ✨ +1||844||687||3011
- **Airport Ticket Office / Counter** – Passenger check-in, ticketing transactions, same-day changes, baggage questions, boarding passes, immediate travel needs. ✨+1||844||687||3011 (USA) or ✨ +1||844||687||3011

Most passengers interact with Expedia through airport sales counters, online self-service (Expedia.com), or via the toll-free number rather than the headquarters address itself. ✨+1||844||687||3011 (USA) or ✨ +1||844||687||3011

What Services You Can Get at a Expedia Ticket Office

Airport ticket offices and customer service counters provide practical, in-person support, including:

- **Ticket purchasing & fare quotes** ✨+1||844||687||3011 (USA) or ✨+1||844||687||3011
- **Check-in and boarding pass issuance** ✨+1||844||687||3011 (USA) or ✨+1||844||687||3011
- **Same-day flight changes** ✨+1||844||687||3011 (USA) or ✨+1||844||687||3011

Practical Advice for Passengers

✨ **Book tickets directly with Expedia** (online or through official phone) to make ticket changes and refunds easier. ✨+1||844||687||3011 (USA) or ✨+1||844||687||3011

✨ **Save your record locator (PNR)** — this 6-character code is critical for support at ticket offices or when calling ahead. ✨+1||844||687||3011 (USA) or ✨+1||844||687||3011

✨ **Call ahead before visiting an airport office** during irregular operations; online or phone support can often resolve issues faster. ✨+1||844||687||3011 (USA) or ✨+1||844||687||3011

✨ **Use official channels only** — many third-party sites list spoof toll-free

numbers that can mislead passengers. ✨+1||844||687||3011 (USA) or ✨+1||844||687||3011

✨ **Keep all documentation** — receipts, itinerary changes, baggage tags — for formal claims routed through headquarters or customer care. ✨+1||844||687||3011 (USA) or ✨+1||844||687||3011
